

This worksheet is intended to help teams organize the games that are scheduled so that one of the opponents can easily input the game information using the online game entry form. This worksheet will not be turned into the BPYSL staff.

Team 1 (Home)	Team 2 (Away)	Game Day of the Week (Mon, Tues, etc)	Game Date	Game Time	Field Location	Field #	Your Name	Approved by Opponent	Name of who will Enter the Game Online (this is who will enter the Game Information Online using the ONLINE ENTRY LINK provided by BPYSL)
								<input type="checkbox"/>

Each team should PRINT out or Download a Copy of this worksheet and complete as you schedule your games with the other teams in your bracket. It is very important that both you and your opponent list the teams the same way (if you have your team listed as Team 1 then your opponent should have your team listed as Team 1).

Once ALL teams in the bracket have scheduled their games, you will complete the online 'Team Game Schedule Entry' form for ONLY THE GAMES YOU ARE LISTED AS TEAM 1

Remember to check online to see which fields are BPYSL Contracted Fields. If you schedule on a field that is NOT on the list, you are required to get approval from the facility and pay any associated costs. We cannot approve non-contracted BPYSL fields so be sure you have the name of the person who gave you approval to play there.

Each Bracket is to schedule no less than 6 games and no more than 8 games. Each team in a specific bracket must play the same number of games.

BPYSL is a travel league- do not tell your opponents you cannot travel! We have fields in Dayton to allow more central travel between Columbus and Cincinnati. If you have issues with a team not willing to be fair with travelling, please call our office!
